Lake Argyle Swim Inc. Committee: Ben Broadwith, Maria Chan, Darren Fulcher, Sue Cottle.

Event Manager: Glenn Taylor, mail@lakeargyleswim.com

On behalf of First National Kimberley, the Lake Argyle Swim Committee, our fantastic partners and our incredible volunteers: **Welcome to the 2025 First National Kimberley Lake Argyle Swim!**

We proudly welcome you to the largest annual sports event in the Kimberley. Enjoy the water and spectacular landscape in this very special part of the world.

All the information you need to stay safe and have a great time at our event is in this booklet. If you have any further questions, please ask one of the Committee at a Briefing Session or send us an email any time at mail@lakeargyleswim.com.

Enjoy this amazing experience, *Brad Williams, Director - First National Kimberley*

SWIM HISTORY & RACE RECORDS

Historical Swimmer Participation

- 2006: 6 Swimmers from Balmoral raise money for the RFDS (length of Lake swim);
- 2007: 57 Swimmers, organised by Jim Hughes and the KCCI as a part of the Ord Valley Muster;
- 2008: Rescheduled to September – event cancelled;
- 2009: 22 Swimmers, Rescheduled for May/June. Official event cancelled, social swim instead;
- 2010: 27 Swimmers, organised by SWEK (3 solo swimmers, 4 duo and 4 quad teams);
- 2011: 63 Swimmers, organised by the new Lake Argyle Swim Inc. and Taneille Anderson;
- 2012: 117 Swimmers, organised by the Lake Argyle Swim Inc.;
- 2013: 140 Swimmers, organised by the Lake Argyle Swim Inc. and Event Manager: Glenn Taylor;
- 2014: 183 Swimmers, event "sold-out" in 6 hours and Winner of the WA Event of the Year;
- 2015: 200 Swimmers, event "sold-out" in a record 3 hours;
- 2016: 260 swimmers, 100 teams, 600 adults at Gala Dinner, "sold-out" in a record 2 hours;
- 2017: 280 swimmers in 111 teams;
- 2018: 314 swimmers, 510 participants in 108 teams;
- 2019: 337 swimmers, 700 adults at Gala Presentation Dinner.
- 2021: 350 swimmers, 709 adults at Gala Presentation Dinner, finalist in WA Tourism Awards.
- 2022: 350 swimmers, record "sell-out" times.
- 2023: 360 swimmers. Another 'sell-out' and three new race records set.
- 2024: 365 swimmers, 141 teams, 'sold-out' and three new race records set.

WELCOME

**WELCOME MESSAGE FROM
HON RITA SAFFIOTI MLA, DEPUTY PREMIER; MINISTER FOR TOURISM
AND
HON DON PUNCH MLA, MINISTER FOR REGIONAL DEVELOPMENT**

The Western Australian Government is a proud sponsor of the Lake Argyle Swim through Tourism Western Australia's Regional Events Scheme (RES).

RES was established to support event holders across the state with the development of events to drive tourism to regional Western Australia. The scheme plays an important role in positioning the State's five tourism regions as exciting destinations by showcasing and promoting the host region's unique and diverse attractions.

A total of 73 regional events across Western Australia have been funded through the 2024-25 RES, which also includes a \$250,000 funding pool for the Regional Aboriginal Events Scheme, which exclusively allocates funding to events delivering Aboriginal activities and experiences.

The Western Australian Government is proud to sponsor all these regional events, which help bring vibrancy to local communities and drive visitor spend, injecting millions into regional economies.

Tourism is a key part of the Western Australian Government's plan to diversify the economy, create jobs and develop business opportunities, especially in regional Western Australia. Events play an important role in this plan and also contribute to the vision for Perth and Western Australia to be the fastest growing events destination in the South East Asian region.

The Western Australian Government sponsors a range of sporting, cultural, arts and culinary events across the state, to attract visitors and encourage them to stay longer, disperse further and spend more while they are here.

We hope everyone enjoys this event and takes the time to explore the Kimberley region.

**HON RITA SAFFIOTI MLA
DEPUTY PREMIER
MINISTER FOR TOURISM**

**HON DON PUNCH MLA
MINISTER FOR REGIONAL DEVELOPMENT**

KEY RACE INFORMATION

Race Day Times

All swimmers, paddlers and skippers are required at the starting line 10 minutes prior to the scheduled race start.

- **20km race starts 8:00** for Solo & Duo Swimmers and **8:10** for Quads
(Allow at least 70 minutes travel time from the boat ramp to the start line, slower boats depart earlier); and
- **10km race start 10:00** for Solo & Duo Swimmers and **10:10** for 10km Quads
(Allow at least of 40 minutes travel time from the boat ramp to the start line, slower boats depart earlier).

6:30 AM – All passengers for 20km Start Cruise aboard the Lake Argyle Cruise bus at the Resort.

6:50 AM – 20km boats depart for the start line (slower boats should depart earlier).

Boat Ramp Coordinator begins coordinating the launch of 10km race boats.

7:30-7:50 AM – Boats arrive at 20km start line.

8:00 AM – 20km race start Solo and Duo Swimmers.

8:10 AM - Race starts for 20km Quads.

08:30 AM – 10km race boats (including official 10km boat) depart for the 10km start line.

** All 10km solo's and their paddlers are to board the official 10km start boats - from the lake edge via the walking path leading down from Lake Argyle Resort. Your hire kayak and paddle will be issued to you at the 10km start line by our Kayak Manager.*

9:40 AM – 10km race boats arrive at start line.

10:00 AM – Official 10km Solo & Duo Swimmers race start.

10:10 AM – Official 10km Quad Teams race start.

3:30 PM – All Teams Exit the Water. All remaining teams swimming are to pick up their swimmers and report to the timekeepers at the finish line.

4:45 PM - Group Photo with all participants adjacent to the Pool. All swimmers will receive a special swim memento at the Group Photo shoot.

4:50 PM – Nexus Airlines Gala Presentation Dinner at Lake Argyle Resort – Presentations, Live Music Celebrate into the night.

Compulsory Briefing and Gear Collection Sessions

The Skipper* and Paddler of each team must be present for at least one of the following Compulsory Briefing/Gear Collection Sessions:

- **Wednesday 30th April 6:00pm**, Kununurra Country Club Resort (gear collection from 5pm)
- **Friday 2nd May, 5:00pm** at Lake Argyle Resort.

All swimmers are also welcomed and encouraged to attend these sessions, but for safety reasons it is mandatory for the skippers and paddlers to attend.

**For the 10km solo category - the swimmer and paddler must attend.*

- All **race numbers, caps and race packs** will be issued to the skipper at these sessions only.
- **T-Shirts** are provided for each swimmer, paddler and skipper.
- **Additional dinner tickets and spectator cruise tickets** that have been purchased will be issued with the team's gear. *Any additional tickets purchased by spectators not associated with a team/solo will also be available for collection.*

Nexus Airlines Gala Presentation Dinner

The Nexus Airlines Gala Presentation **dinner** will start at **4:50 pm** on Saturday at Lake Argyle Resort.

The entertainment will include the presentation of awards to category winners, guest speakers, music and will go late into the evening – so come along to party!

Everyone attending dinner must be wearing their wristband. Anyone without an official dinner wrist band will be politely requested to leave the dining area.

**The area will be open to additional family and friends once meals and presentations have been completed – join the band & DJ party!*

Spectators

For spectators with cruise tickets:

- The **20km & 10km Start Cruise** departs from the Lake Argyle Cruises jetty at the Boat Ramp. Spectators with tickets need to board the Lake Argyle Cruises shuttle bus, departing **6:30am** from the Resort reception.
- **Scenic flights** with HeliSpirit operate directly from the Resort.

Boat Launching & Crew Pick-up

The boat launching and crew pickup procedure reduces boat ramp congestion and makes for a better experience for everyone.

- **Boat Launching:** Skipper and Vehicle Driver only on Boat Ramp (kayaks, paddles, food, drink and all gear for the day on board). Please have boat prepared and launch early to avoid delays.
- **Swimmer & Crew Pick-up:** When all your Swimmers and Crew are assembled at the Lake Edge, your crew should wave you forward (see map below) to the finish beach. Please motor carefully to the beach, quickly have your crew board and slowly motor away in a clockwise direction.

Swimmers, supporters and crew using pathway from/to Lake Argyle Resort:

- Remember **to take shoes, hats and sun protection both down to the boat at the start of the day** and to wear back up at the end of the day.

Disability access: Any swimmer, supporters or crew members unable to walk up/down the pathway are advised to travel on the team's power boat, to and from the boat ramp.

COURSE MAP

Proudly organised by the Lake Argyle Swim Inc. www.lakeargyleswim.com

20km Start Line Map

10km Start Line Map

Proudly organised by the Lake Argyle Swim Inc. www.lakeargyleswim.com

Finish Line

The finish line will be onshore: finish under the Blue Inflatable Finish Arch.

The Finish Line access is **via the walking path directly down from the Lake Argyle Resort Pool**.

The team's time will be recorded when your first swimmer crosses the line.

Swimmers: must report to our timekeepers at the Finish Arch to ensure your time is recorded.

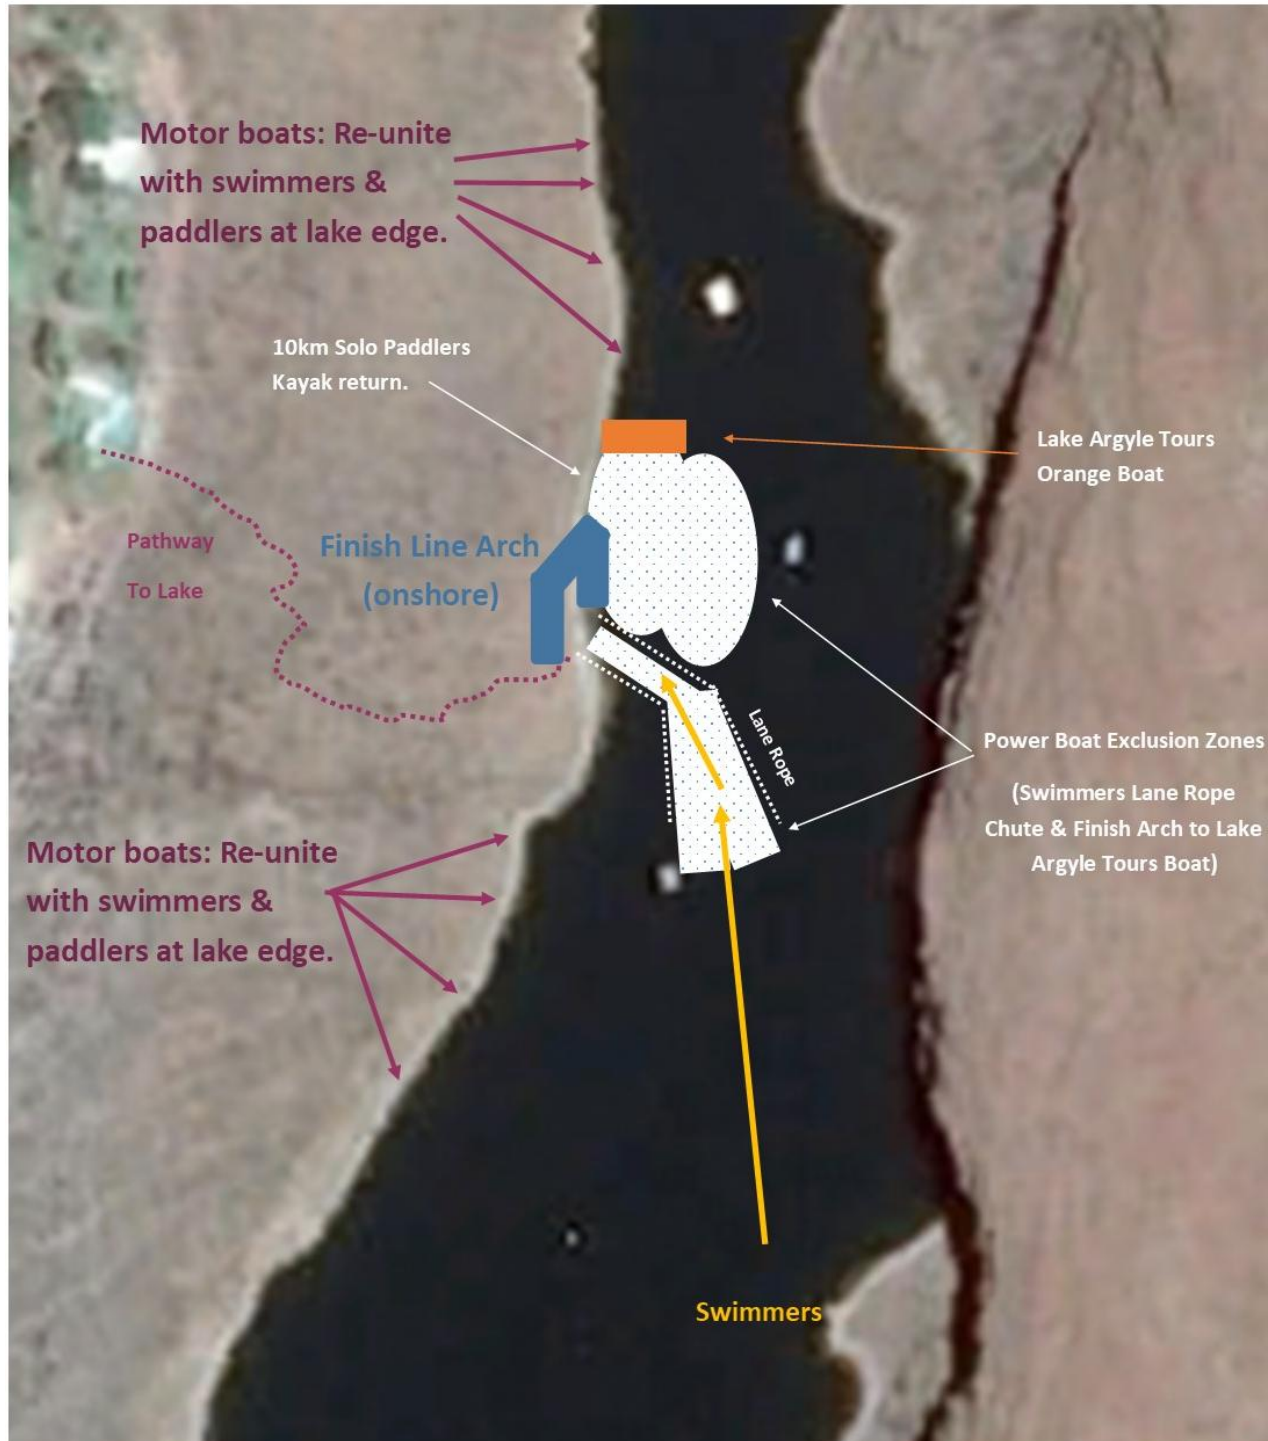

Swimmers: Swimmers finish under the blue Finish Arch, onshore.

10km Solo Paddlers: Return issued kayaks to finish (between Finish Arch and Lake Argyle Tours Boat).

Skippers: Skippers can re-unite with swimmers and paddlers onshore south of the Finish Arch or North of the **Lake Argyle Tours Boat**. No motor boats are to enter the swimmers finish chute (100m of lane ropes) or come between the Finish Arch and Lake Argyle Tours boat.

Skippers: Stay well clear of all finishing swimmers/teams when returning to boat ramp.

Lake Argyle Swim—Finish Line (zoom)

Skippers: Motor Boats are strictly prohibited from entering the swimmers finishing lane ropes and from shore access between the **Finish Arch** and **Lake Argyle Tours Boat**.

Skippers: Keep watch and stay well clear of all finishing swimmers/teams when re-uniting with team members and returning to the boat ramp.

SWIMMER: Safety & Information Sheet

The team number tattoo should be placed on your upper right arm.

To discuss with your support crew:

- Plan with your team the direction of the swimmer i.e. straight-line buoy to buoy or taking advantage of wind and waves;
- Discuss with your paddler/s the most comfortable position for them to guide you and your team; and
- If your support crew is to provide you with sustenance whilst you are in the water discuss how you'd like this to be managed.

Signal for Assistance

Let your paddler know and they will have you hang on to the front (bow) of their paddle-craft.

In the case of requiring assistance beyond your paddler:

- Wave one hand above head height to signal assistance is required. Keep waving until your signal is acknowledged.

Overtaking

- Any team in front has the right of way. Pass the slower team on any side at a safe distance.
- No physical contact should be made.

HAZARDS

- LAKE ARGYLE is classified as "OPEN WATER" (think ocean);
- Winds can be strong and blow you off course, generate a short sharp chop;
- Wind and wave activity will change along the length of the course;
- Sunburn: use sunscreen and cover up;
- Dehydration: have your crew carry water and snacks, enough for 6 to 8 hours; and
- Take care and time to traverse the track between the Resort and Finish Line.

Getting to the Start

Travel on your support boat to the start line. Swimmers and crew to be picked up by their skipper at the lake edge directly down the walking path from Lake Argyle Resort.

10km solo swimmers will travel to the start line on the official start boats – also departing from lake edge, directly down walking path.

The Finish

The Finish Line will be the Blue Finish Arch onshore. Your paddler can stay with you to the line. Your power boat must stay clear of the exclusion zones at the finish area. Swim to shore and pass under the Finish Arch to record your finish time. Your fellow swimmers are encouraged to swim to the rear of the Lake Argyle Tours boat for a for celebratory drink.

The Start – 20km Swim

Proudly organised by the Lake Argyle Swim Inc. www.lakeargyleswim.com

The deep-water start will be from the line of floats between the Lake Argyle Cruises Start Boat and the start buoy. Position yourself in front of the rope and hold onto it with your hand.

The starting swimmer in each team must swim the first 500 meters before joining up with their team support boat, due to the power boat exclusion area at the Start Line.

The Start – 10km Swim

The deep-water start will be from the line of floats between the Lake Argyle Tours Boat and the start buoy. Position yourself in front of the rope and hold onto it with your hand.

The starting swimmer in each team must swim the first 500 meters before joining up with their team support boat, due to the power boat exclusion zone at the Start Line.

The Course – 20km Swim

A lead boat will lead the field from the 20km start to the 10km turn (where you will join the tail of the 10km field and follow their lead boat). Your paddlers will use this boat and the marker buoys to guide you along the course.

The 10km turn is a right hand turn around the buoy at the eastern end of the 10km start line. Please beware of increased water traffic.

The Course – 10km Swim

A lead boat will lead the field from the start to finish of the event. Your paddlers will use this boat and the marker buoys to guide you along the course.

10km SOLO Swimmers: *Additional Information*

Getting to the Start

10km Solo swimmers and their paddlers will travel to the 10km start line on the official 10km start boats. Departing the **08:30am** from the lake edge down the walking path from Lake Argyle Resort.

You will be issued with your hire kayak and paddle when you reach the start line by our Kayak Manager.

The Finish

The Finish Line will be the Blue Finish Arch onshore. Your paddler can stay with you to the line.

All paddlers in hire kayaks should make their way to the Kayak Manager on shore - adjacent to the Finish Arch and return your hire kayak.

PADDLER: Safety & Information Sheet

PFD's must be worn!

Please be considerate of all people on and in the water.

As a Support Paddler, you are responsible for:

- **Maintaining a safe distance for your swimmer from any power boats;**
- Guiding your swimmer along the course;
- Monitoring correct changeover tagging protocol;
- Monitoring the progress of your swimmer, and if required, signal for assistance;
- Providing support to the swimmer until a boat arrives; and
- Providing water and food if required.

Swimmers needing assistance or rest should hold onto the front of your kayak when stationary.

Team numbers are to be displayed on both sides of your paddle craft. You will also be wearing a bib with your team number on.

Maintain your “Swimmer’s Bubble”:

Communicate assertively with the skipper of any power boat threatening to enter the 5m “Bubble” around your swimmer.

No power boats within 5m of a swimmer is allowed (other than that swimmer’s team boat at changeovers).

Guiding your swimmer

- Plan with your team the direction of the swimmer i.e. straight-line buoy to buoy, or take advantage of wind and waves;
- Discuss with your swimmer/s the most comfortable position for you to guide them. Stay close to your swimmer and keep them in view; and
- Discuss any potential paddler swap overs that may occur along the course.

Monitoring swimmer progress

- A smooth swimming stroke indicates all is well; and be aware that;

- A ragged stroke and zigzagging may indicate tiredness and other problems which can quickly lead to assistance being required.

Signalling for assistance

- Wave your hands or paddle at head height or above to signal assistance is required;
- Keep waving until your signal is acknowledged.

Supporting your swimmer

- Stay in your boat and adopt a stable paddling position - e.g. low brace;
- If they require assistance, make definite eye contact with the swimmer and direct them to hold on to the bow (front) of your kayak. This may cause your craft to spin around but this is the most stable position where you can see and monitor the swimmer; this is because a swimmer holding on to the side may cause your craft to roll, you cannot see swimmers on your stern (back) and they may foul your rudder control lines.

Provide food and water

Ensure anything you are carrying in or on your paddle craft is securely stowed.

HAZARDS

- LAKE ARGYLE is classified as “OPEN WATER” (think ocean);
- Winds on Lake Argyle can be strong and blow you off course;
- The lake can generate a short sharp chop that may change direction;
- Wind and wave activity will change along the length of the course;
- Sunburn: use sunscreen and cover up, if you have a “sit-on” craft ensure your legs and feet are protected;
- Dehydration: carry water and snacks, enough for 6 to 8 hours;
- ‘Numb Bum’: move around and fidget to maintain circulation; and

Overtaking

Any swimmers and paddlers in front have right of way, pass at a safe distance on either side of the slower team.

Getting to the Start

Paddlers and paddle craft should travel with their team in their support boat to the start line.
10km solo’s hire kayaks & paddles will already be at the 10km start line for your paddler.

The Start

Swimmers will start in deep water from the start line. Support Paddlers will position themselves either side of the course approximately 200m ahead of the start line and join their swimmers after the first 200m has been swum.

The Course – 20km & 10km Swim

A lead boat will travel the course ahead of the field. Use this vessel to guide you along the course. At the 10km point of the 20km swim, you will join the tail of the 10km field and be guided by their lead boat.

Swapping Paddlers (optional for teams with extra crew)

Try to swap at a time that your swimmer has an alternative visual guide along the course e.g.

- When there is another relay team member in the water awaiting changeover; or
- There is a marker buoy ahead, make sure you discuss this with your swimmers prior to the race.

The Finish

The Finish Line will be marked by a blue Finish Arch onshore. You can paddle all the way to the finish line with your swimmer but be sure not to impede any other swimmers.

Kayakers with their own craft can head back to shore with their team or to the boat ramp with their support boat.

10km Solo Paddlers need to return their hire kayak to the Kayak Manager – on shore adjacent to the Finish Arch.

Course GPS Co-ordinates

Approximate Course GPS Co-ordinates (guide only – record exact points on way to start line if required)

	<u>Degrees, Minutes</u>						<u>Degrees, Minutes, Seconds</u>							
	o	'		o	'		o	'	"	o	'	"		
20km Start	16	12.255	South	128	48.844	East	16	12	15.3	South	128	48	50.64	East

Bamboo Cove Turn	16	7.192	South	128	44.613	East	16	7	11.52	South	128	44	36.8	East
Finish	16	6.826	South	128	44.607	East	16	6	49.56	South	128	44	36.4	East

SKIPPER: Safety & Information Sheet

Please be considerate of all people on and in the water.

Be aware that fuel exhaust fumes affect all swimmers and paddlers, stay downwind and at a safe distance from them whenever possible.

As a team/s Support Boat you are responsible for assisting both swimmers and paddlers of your team, so always keep them within sight. Any waving arm or paddle movement above the head is a call for assistance, approach with safety in mind.

Team numbers must be displayed on both the port and starboard sides of the boat.

Boat Launching

The Boat Ramp is a potential major congestion point without your help and preparation. Please head to the boat ramp with a boat driver (to manoeuvre the boat away from the boat ramp) and a vehicle driver (to return the car and trailer back to the Lake Argyle Resort). Take note of the Swimmer/Crew collection information in this document.

Are you ready to launch your boat?

- Boat battery on? , Boat key in ignition or on hand?, All your gear on board (Esky, food, drink), Bungs in?, Motor lifted and support arm removed?, Tie down straps untied or ready to un-tie?, Winch ready?, Boat Radio set to Channel 11 (VHF & UHF)

Radio communications

- Are to be used to call for assistance only, no radio chatter please;
- Channel 11 for both VHF and UHF will be used for communications during the swim; and
- Marshall Vessels may use radio communications to broadcast event information, so keep your radios on.

Overtaking

The overtaking boat must pass on the side of the slower boat that is furthest from the swimmer.

Picking up Swimmers/Paddlers

When picking up swimmers or paddlers the **motor of the support boat must be turned off**. Support vessels must only move forwards and do not come astern (move backwards).

The Finish Line

SUPPORT BOATS MUST LEAVE THEIR SWIMMER(S) AND PADDLER 400M PRIOR TO THE FINISH AREA

No support boats are to enter the “Power Boat Exclusion Zones” as per the **Finish Line Map** in this Handbook.

Catch-up with your swimmers and paddlers along the shoreline as per the **Finish Line Map** in this Handbook.

BE AWARE OF YOUR WAKE AND ITS AFFECT ON ALL EVENT PARTICIPANTS

Strictly no alcohol on board support vessels.

Each Support Vessel must comply with Department of Transport (DoT) regulations. The required safety equipment to comply with DoT:

- Recreational Skipper’s Ticket.
- Life Jackets (min. level 100) - *must be worn if vessel is 4.8m or less.*
- Life Jackets for children under 12 years must be worn (min. level 100).
- Distress Beacon (in date and GPS enabled).
- Red and Orange flares (in date) or Electronic Visual Distress Beacon.
- A marine radio and additional safety equipment are recommended. Visit <https://www.transport.wa.gov.au> for full details.

Be aware of the weather and elements, it is recommended that shade is provided, adequate food and drink as well as towels, spare clothes, blankets.

Power Boat Exclusion Zone

Please note the 500m x 200m power boat exclusion zone at both the 10km and 20km start lines. Your first swimmer will have to swim at least the first 500m prior to a swimmer change – as no boats can enter this exclusion zone to drop-off or collect team members.

Maintain the “Swimmer’s Bubble”:

No power boats within 5m of another team’s swimmer is allowed.

EXTREME WEATHER

In the event of extreme weather (i.e. strong winds) the Event Manager, in consultation with Lake Argyle Cruises, may:

- Cancel the event, or
- Delay the start time(s) – **the event end time of 15:30 hrs will be unchanged**, or
- Change the course to the 'Alternative Rough Weather' course A or B.

Alternative Rough Weather Courses

If an alternative rough weather course is to be used, competitors will be informed via race radio which Alternative Rough Weather Course, A or B, is to be utilised. Please refer to the attached Alternative Rough Weather Courses A & B.

Alternative Rough Weather Course A:

A 5km circuit within Coolibah Pocket will be set-up.

- All standard race rules, team changes and support boats will operate as normal.
- However, all swimmers will be required to exit the water each and every lap 5km lap at the Finish Arch – for lap counting.

Alternative Rough Weather Course B:

- The confined space of this course will preclude team boats and paddlers from following their swimmers and all relay team members will be required to assemble at the pontoon.
- Swimmers will be required to complete 1km circuits of this course and exit the water each and every lap. Relay teams can only change at the completion of whole laps (1km laps).
- Solo swimmers and team swimmers must present to the timekeeper each lap for the purpose of safety check and lap counting.
- Neutral support vessels and paddlers will be patrolling this course. Any swimmer needing assistance must wave one arm above their head.
- Race distances may be revised down from the planned 20km/10km distances depending on the weather, but all competitors will be informed of this prior to the start of the alternative race format.

Alternative Rough Weather Course Map A

Alternative Rough Weather Course Map B

Proudly organised by the Lake Argyle Swim Inc. www.lakeargyleswim.com

EMERGENCY PROCEDURE

**Any waving arm or paddle movement above the head is a call for assistance.
Approach with safety in mind.**

Rescue Boats

There are two (2) primary Rescue Boats that will be roaming for the duration of the race.

These rescue boats will be monitoring radio channel 11 and have a qualified first aider and first aid kit on board. For all emergency assistance these boats are to be your point of contact.

Radio Communications

**Radio communications are to be used to call for assistance only.
No radio chatter please.**

Channel 11 for both VHF and UHF will be used for communications during the swim.

*If radio communications are not possible – use your flares to signal for assistance.

Medical Emergency

In the case of a medical emergency requiring urgent assistance, state:

“Medical emergency, Boat number is calling for immediate medical assistance, location..... “

- Identify any nearby boats that may be in the best position to assist; and
- Continue this call until you receive confirmation that assistance is on its way.

St John Ambulance officers will be stationed at Lake Argyle Resort and on-board a rescue boat for the duration of the event. Rescue or support vessels will transport any casualties to the boat ramp as directed by St John Ambulance volunteers.

Please note that St John Ambulance assistance is on site. However, any transport and further medical treatment will come at further cost to the participant(s) seeking treatment.

Non-Medical Emergency

In the case of all other **non-medical emergencies** (i.e. mechanical, taking on water,...)

“Emergency, Boat number.... Requiring assistance at location.....”

Provide information about the nature of the assistance required (i.e. motor breakdown, broken paddle etc.).

Responding to an Emergency

In the event of an emergency where the Rescue Boats are responding, please continue to monitor your radio however avoid speaking to allow clear communication between the Rescue Boats and boat(s) requiring assistance.

In the event that you hear another boat calling for assistance:

- Identify if immediate assistance is required and if your vessel is in a position to provide this assistance.
- If so, communicate with your paddler and swimmer, the swimmer must stop swimming immediately and may use the paddle vessel as support. At this point, you may leave the swimmer and paddler to provide assistance.

Emergency Evacuation

Circumstances may dictate that the race needs to be cancelled. You will be notified over the radio:

“Attention: All competitors in the Lake Argyle Swim are to exit the water immediately. “

In the event that this is required, all boats are to communicate with their swimmers and paddlers and **MUST** board their support vessel immediately.

10km solo swimmers and paddlers will utilise the neutral support boats and the Rescue Boats to exit the water. Participants will be instructed what further action is to be taken.

Emergency Contacts

On Water:	VHF Channel 11 or if urgent activate your flares. UHF Channel 11
Police, Fire or Ambulance:	000
Event Manager:	Glenn Taylor M: 0407 289 238
Rescue Boat #1:	East Kimberley Volunteer Marine Rescue, VHF & UHF Channel 11
Rescue Boat #2:	State Emergency Service, VHF & UHF Channel 11

For all support craft and on water contact, please use radio frequency 11 for both VHF and UHF. Mobile phone coverage is only possible in some parts of the lake and is not guaranteed.

**All our amazing Volunteers, Sponsors, Committee,
East Kimberley Volunteer Marine Rescue & WA State Emergency Service**

WHERE
DREAM
EVENTS HAPPEN

Step into a dreamscape of events in the Kimberley, one of Earth's last true wilderness areas.

- Marvel at the awe-inspiring Lake Argyle, an immense freshwater lake around 20 times the size of Sydney Harbour.
- Slip into 'Broome time' and relax on Cable Beach's / Walmanyjun 22km of white sand and turquoise waters.
- Take an Aboriginal guided tour to marvel at ancient rock art and discover the region through the eyes of an Elder.
- Tackle one of Australia's greatest four-wheel-drive adventures, the epic 660km Gibb River Road.
- Relax in sheer luxury on an elegant Kimberley expedition cruise to faraway bays, tranquil waterfalls, tropical islands and coral atolls.
- By air or by land, experience the otherworldly World Heritage-Listed Bungle Bungle Range in Purnululu National Park.
