Get Your Teams Ready for 2020!

Entry spots in the 2020 First National Kimberley Lake Argyle Swim will once again be hot items, so timing is everything. Places will again 'sell-out', so be ready!

Registrations will open **09:00 hours (Western Australian Time) on Friday 1st November 2019.**

Registration places will be split between the 20km and 10km swim distances, and split further between the solo, duo and quad options.

NEWSPLASH!

2020 promises to be even bigger and better again, so make sure you are part of the action. Have your team ready and be online when registrations go live!

Click onto www.lakeargyleswim.com, go to the “Registrations” page and hit the link to “Register”. Remember: this will not open until 0900 hrs (WA Time) on the 1st November 2019.

The registration process will be easy, as we are only seeking the Team Captain’s details initially. Once the team captain has paid and registered your team’s place is assured and we will collect the full team’s details in the lead-up to 2020.

If you are a 10km solo entrant we offer the ‘paddle support only’ category. This initiative is to encourage greater participation for visitors to ‘fly in’ with a mate, without the burden of boat transport. We also get you and your paddler to the 10km start line.

All other teams/solos will again need a paddler and powered boat support, as per previous years. In past events we have had heroic support from local boat owners, kayak owners and paddlers. So if you have competed before, get back in touch with past team members and reform your ‘possie’.

Looking to enter the Lake Argyle Swim for the first time? Get yourself a ‘motley crew’ together, start training and get set for registrations to open.
