Lake Argyle Swim 2020 | Newsletter #2 | November 2019

G'DAY Swim Fans,

## Another Record Field!

For the tenth year running, we have set another entry record. Congratulations to the record **120** teams/solos who are registered in the 2020 First National Kimberley Lake Argyle Swim!

That is a record **350 swimmers** and a total of **570 team members** (swimmers, paddlers and skippers) taking part. Thanks for supporting the Lake Argyle Swim!

We do not want anyone to miss a place, but the Committee is very careful to only increase the field at a sustainable level to ensure all the great character and unique aspects of the Lake Argyle Swim are retained. We are very conscience of ensuring your skippers can make dinner in time – after a hard day in support - we

know there is great patience shown by all skippers at the busy boat ramp. We are always looking to grow the Swim sustainably and we are strong advocates for improved boat access on our amazing Lake.

## 2020 Gala Presentation Dinner

At the time of going to print, we have a few adult Gala Presentation Dinner Tickets available online. Also be sure to head to the website for Kids dinner/activities tickets – be quick.

## Who is swimming in 2020?

The full team list for 2020 is posed online at [www.lakeargyleswim.com](http://www.lakeargyleswim.com).

It makes for some interesting reading. We have teams from NT, NSW, Vic., Qld. and of course WA. Kununurra is well represented with a total of 123 swimmers. There is a strong bias towards the 10km distance amongst our locals, or perhaps just a preference for our visitors to swim the full 20km after making the long journey to join us in the amazing East Kimberley.

Good luck to all the teams now in training for 2020!

## Some more of our amazing Event Partners

Each Newsplash we feature some of our heroic Event Partners – without our partners, the Lake Argyle Swim would not be possible. A huge thanks to:
