Lake Argyle Swim 2021 | Newsletter #2 | December 2020

G'DAY Swim Fans,

Season's Greetings

On behalf of the Lake Argyle Swim Inc. we would like to wish all our
Fantastic Sponsors, Volunteers, Supporters, Swimmers and Crews

A very merry Christmas.

Have a fantastic holiday period. Eat, drink and be merry, but hopefully find some time for a swim or two
(or three or four – especially our 20km swimmers!).

Safe Summer Swimming

Open water practice is a great way to prepare for your swim in the vast expanses of Lake Argyle, but stay safe this summer.

Some top tips to stay safe include:

NEWSPLASH!

- Always swim with another person, never go alone,
- Always check the water conditions, especially currents/tides/waves when ocean swimming,
- Swim at a patrolled beach when possible,
- Know how to identify rips if swimming at the beach.

Enjoy your summer swimming.

2021 Race Briefings

For those teams planning their travel and accommodation ahead of the 2021 Swim, remember: Your skipper, and at least one swimmer from your team, **must** attend one of the compulsory briefing sessions:

- Wednesday 28th April 2021, 6pm at the Kununurra Country Club Resort, Kununurra or
- Friday 30th April 2021, 5pm at Lake Argyle Resort, Lake Argyle.

2021 Swim gear (t-shirts, caps, bags,..) and Gala Presentation Dinner tickets will only be issued at these sessions. The sessions also provide the very important safety and race information.

NEWSPLASH!

Some more of our amazing Event Partners

Each Newsplash we feature some of our heroic Event Partners – without our partners, the Lake Argyle Swim would not be possible. A huge thanks to:

Horizon Power

We put energy into our community.

We've been in regional and remote communities across WA for more than

60 years. And that teaches you a thing or two. We do everything we can to provide safe and reliable energy to people, homes and businesses in the Kimberley and broader regional Western Australia.

Tourism WA / WA State Government

The Lake Argyle Swim Committee is very excited to have the McGowan Government through its Regional Events Scheme as a key partner again.

We are very excited to be amongst the other regional events successful in gaining

support. It is great recognition of the significance of the Event to the Kimberley and reward for all the

hard work done by the present and past committees, volunteers, supporters and sponsors – thanks to everyone who has made this event such a success.

Cambridge Gulf Limited

CGL plays a critical role in the Kimberley Community. CGL imports bulk fuel and delivers to remote sites. They manage the Wyndham Port, providing stevedoring and other related services. They also

facilitate the import and export of a variety of commodities. Of course, we feel supporting the Lake Argyle Swim is the most important role they play.

Swim On!
