Lake Argyle Swim 2023 | Newsletter #3 | December 2022

G'DAY Swim Fans,

## Season's Greetings

On behalf of the Lake Argyle Swim Inc. we would like to wish all our  
Fantastic Sponsors, Volunteers, Supporters, Swimmers and Crews

**A very merry Christmas.**

Have a fantastic holiday period. Eat, drink and be merry, but hopefully find some time for a swim or two  
(or three or four – especially our 20km swimmers!).

## 2023 Race Briefings

For those teams planning their travel and accommodation ahead of the 2023 Swim, remember: Your skipper, paddler and at least one swimmer from your team, **must** attend one of the compulsory briefing sessions:

- Wednesday 3<sup>rd</sup> May 2023, 6pm at the Kununurra Country Club Resort, Kununurra **or**
- Friday 5<sup>th</sup> May 2023, 5pm at Lake Argyle Resort & Holiday Park, Lake Argyle.

2023 Swim gear (t-shirts, caps, numbers,..) and Gala Presentation Dinner tickets will only be issued at these sessions. The sessions also provide the very important safety and race information.

## Top Tip: Team Plan – work with your Paddler

Your paddler is an integral part of the team. They need to know which side of each swimmer to paddle on. They also need to know where to position themselves in relation to the swimmer (usually at 90 degrees to the swimmer's eye-line).

Remember, it is the paddler's job to stay on a straight line between buoys. Having the paddler 2m to the side of the swimmer is a good plan. If the swimmer gets any closer, then the swimmer must correct their line and move away. If the swimmer drifts away, then the swimmer needs to move closer. Have faith that your paddler is sitting higher in the water and has a better chance of lining up all the marker buoys.

The shortest line between two points is a straight line – so good teamwork with your paddler may save you plenty of strokes on the day.

## Some more of our amazing Event Partners

Each Newsplash we feature some of our heroic Event Partners – without our partners, the Lake Argyle Swim would not be possible. A huge thanks to:

### Cambridge Gulf Limited

CGL plays a critical role in the Kimberley Community. CGL imports bulk fuel and delivers to remote sites. They manage the Wyndham Port, providing stevedoring and other related services. They also facilitate the import and export of a variety of commodities. Of course, we feel supporting the Lake Argyle Swim is the most important role they play.

### Kununurra Country Club Resort

Kununurra Country Club Resort is your central sanctuary from which to access Western Australia's extraordinary East Kimberley. Retreat in the comfort of your centrally located Resort accommodation, less than 5km to the Kununurra airport, and on the doorstep to iconic natural wonders and hallmark attractions including the Bungle Bungles, Lake Argyle and the Ord River.

### D E Carpenters

Darren Fulcher has been a part of as many Lake Argyle Swims as anyone. A critical member of the Swim Committee, D is also a proud sponsor of the event. When on land, he is the man behind the East Kimberley's highest quality building projects. Thanks to DE Carpenters.

Swim On!.
