Lake Argyle Swim 2022 | Newsletter #4 | April 2022

G'DAY Swim Fans,

Enjoy your Easter, but not too many chocolate eggs ahead of the
2022 First National Kimberley Lake Argyle Swim!

Enter your Team Line-up

As part of our comprehensive Safety Plan it is important we know who is in your team.

Please head to: <http://www.lakeargyleswim.com/registrations.html> and click on the “Team Line-up” and enter your team’s details, if you have not already done so.

The details we are seeking:

- The swimmers’, skipper’s and paddlers: Names and Ages
- The support boat: Boat Registration Number
- The support boat and kayak: Length and Colour (if known)

Look after your Skipper!

As the Lake Argyle Swim continues to grow, skippers and boats are becoming harder and harder to source for teams, so it is a great idea to always look after your skipper and support team. You cannot thank these superhero’s enough for getting you to the start line and ensuring you can compete in the swim. Look after them before, during and after the Swim and ensure they have as good as time as you do. Thanks to all our amazing skippers and paddlers!

The Lake Argyle Swim is proudly brought to you by our sponsors and the Lake Argyle Swim Inc.

Lake Argyle Resort

We welcome the G'Day Group and their team to Lake Argyle Resort and thank them for their continued support of the Swim! The Lake Argyle Resort is nestled on the Carr Boyd Ranges 100 metres above the

waters of Lake Argyle. The tranquil setting is surrounded by some of the most breathtaking scenery in Australia.

We look forward to a great Gala Presentation Dinner with our hosts at www.lakeargyle.com

Cambridge Gulf Limited

CGL plays a critical role in the Kimberley Community. CGL imports bulk fuel and delivers to remote sites. They manage the Wyndham Port, providing stevedoring and other related

services. They also facilitate the import and export of a variety of commodities. Of course, we feel supporting the Lake Argyle Swim is the most important role they play.

D E Carpenters

Darren Fulcher has been a part of as many Lake Argyle Swims as anyone. A critical member of the Swim Committee, D is also a proud sponsor of the event. When on land, he is the man behind the East Kimberley's highest quality building projects. Thanks to DE Carpenters.

Train hard & have fun.
