Lake Argyle Swim 2023 | Newsletter #5 | February 2023

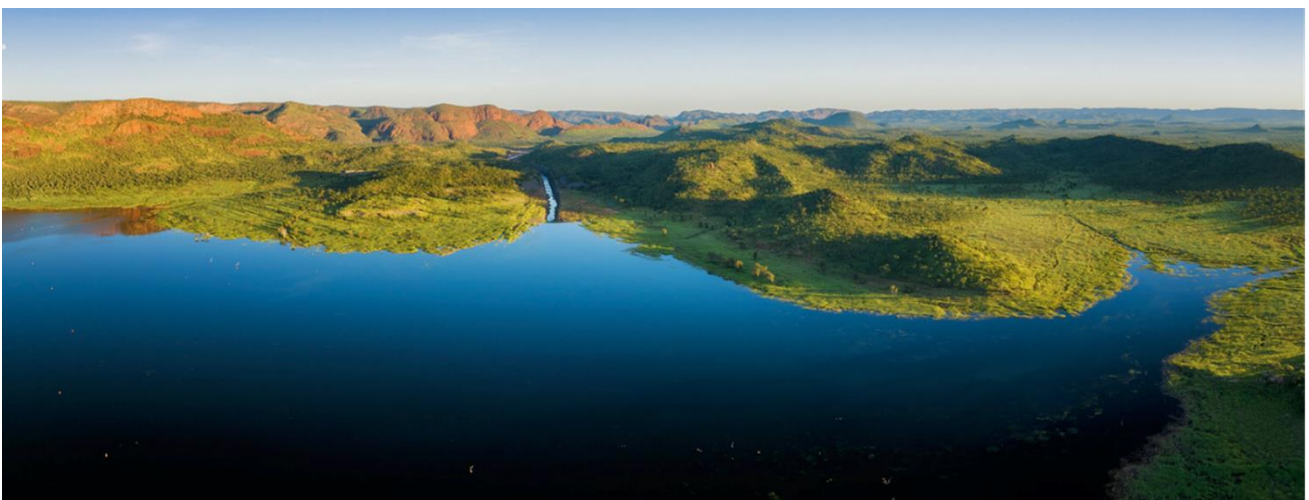

G'DAY Swim Fans,

## Lake Argyle is Full

It is official! We have a full Lake for your 2023 Swim.

Lake Argyle started to spill early February and it has been several years since it has been this full. Check out some spectacular images by our very own Lake Argyle Swim committee member: Ben Broady (fine art photography @ [www.benbroady.com](http://www.benbroady.com) )

Hopefully the flow of water over the spillway adds some currant assistance to our swimmers as they swim towards Bamboo Cove. The Lake is looking spectacular for your 2023 Swim.

## 2023 Handbook

The 2023 Competitor Handbook is now available online: <http://www.lakeargyleswim.com/race-information>

The screenshot shows the website's navigation menu with 'RACE INFORMATION' selected. The main content area features a large image of a lake with many small boats. Below the image, there is a section titled 'Race Information:' with text describing the event. A blue arrow points from the 'Race Information:' section to a 'Download File' button for the '2023\_las\_handbook\_v2.0.pdf' document. Other buttons for 'VIDEO: LAKE ARGYLE SWIM HIGHLIGHTS' and 'VIDEO: TALES FROM LAKE ARGYLE SWIM' are also visible.

All swimmers, skippers, paddlers and spectators are encouraged to download the 2023 Handbook which contains everything you need to know about this year's First National Kimberley Lake Argyle Swim!

## Some more of our amazing Event Partners

Each Newsplash we feature some of our heroic Event Partners – without our partners, the Lake Argyle Swim would not be possible. A huge thanks to:

## Argyle Engineering

Thanks to the entire team at Argyle Engineering for their ongoing support. Argyle Engineering provides engineering solutions throughout the Kimberley. From large industrial jobs through to ute and trailer modifications. If they can't fix it, then it probably can't be fixed. Thanks for the support.

## Rockalong Stonework

Our loyal swimmers now have a collection of finisher coasters in their trophy cabinets. All thanks to Mick Long of Rockalong Stonework. As well as the coasters, he is responsible for our category winner trophies and our perpetual shield at Lake Argyle. For some amazing stonework see Rockalong. Thanks Longy.

## Freshwater East Kimberley Apartments

Freshwater East Kimberley Apartments, Kununurra's only 4.5 star rated accommodation, is proud to partner with the Lake Argyle Swim. Freshwater East Kimberley Apartments provides a relaxing and convenient environment for you to explore the magnificent East Kimberley. The perfect place to refresh, relax and unwind at the end of your day in our spectacular region.

Swim On!.
